¹ HI-TECH Crossgrade: Switching from a competitor's product for the same family of devices (proof of purchase required).

² HI-TECH Owner's Privilege: HI-TECH Software offers special prices for additional HI-TECH Software products to its current license owners.

³ HI-TECH Priority Access: 12 months priority technical support and access to updates.

HPA Renewal: For customers who currently have HPA for a compiler and are 'renewing' their HPA for another year. To be eligible for 'renewal' pricing, customers must renew their HPA before their current expires. Note: a customer purchasing a STD compiler is eligible to purchase HPA at the 'Renewal' price. However, the HPA must be purchased at the same time as the STD compiler. HPA Restart: For customers who do not currently have HPA for their compiler.
